RE: Information Request Partial Extension to Respond
Super Salvage Incorporated

Dear Mr. Middelthon:

On August 29, 2013, the U.S. Environmental Protection Agency (EPA) issued a multimedia Information Request to you as the president of Super Salvage, Incorporated (Super Salvage). As explained in that Information Request, EPA seeks information requested pursuant to its authorities under Section 114(a) of the Clean Air Act (CAA), 42 U.S.C. § 7414(a), Section 308 of the Clean Water Act (CWA), 33 U.S.C. § 1318, Section 3007(a) of RCRA, 42 U.S.C. § 6927(a), 15 U.S.C. § 2610, Section 104(e) of CERCLA, 42 U.S.C. § 9604(e), as well as all regulations promulgated pursuant thereto. The Information Request required that you fully respond to questions and document requests within fifteen (15) days of receipt of the letter.

Mike Logan from Compliance Plus Services, contacted EPA as your representative preparing the responses to the Information Request. Mr. Logan represented that Super Salvage would provide responses to Questions 1 through 3 of the Information Request by September 27, 2013. However, Mr. Logan requested an extension from the response due date of September 27, 2013, to October 18, 2013, for submission of the responses to Questions 4 through 28 of the Information Request. This extension is based on the recent illness of your Chief Financial Officer, who is integral to preparing responsive documents to those questions in the Information Request.

By this letter, EPA grants Super Salvage's request to extend the response date for Questions 4 through 28 of the Information Request to October 18, 2013. All other instructions, certification requirements and other language in the Information Request remain the unaltered.

If you or your legal counsel has questions regarding the Information Request you may contact Richard Killian at (215) 814-2159. Legal questions may be directed to either Daniel Isales, at (410) 305-3016, or Allison Gardner, at (215) 814-2631.

We thank you in advance for your cooperation.

Sincerely,

Samantha P. Beers, Director
Office of Enforcement, Compliance
and Environmental Justice
